PART III.

Legislative Measures and Rules thereunder.

NOTIFICATION.

No. R. 263—L. C., dated 3rd February 1920.

Under Rule 40 of the Rules for the conduct of business of the Mysore Legislative Council, the following Report of the Select Committee on the Bill further to amend the Mysore Forest Regulation, 1900, is published for general information.

By Order,
P. MAHADEVAYYA,
Secretary, Mysore Legislative Council.

Report of the Select Committee on the Bill further to amend the Mysore Forest Regulation, 1900.

We, the members of the Select Committee, appointed to consider the above Bill, beg to report that we have examined the provisions thereof. While we agree to the adoption of clause 1 of the Bill as it stands, we consider that the wording of clause 2, requires alteration as it is intended that the sale of wood without a license should also be penalised. We further think that the word "attempts" should be substituted for the word "undertakes" so as to be in consonance with legal phraseology. As thus revised Section 75 stands as follows:—

"No person shall sell or attempt to sell sandalwood, or manufacture or distil or attempt to manufacture or distil oil from sandalwood, or redistil, refine or sell or attempt to redistil, refine or sell oil extracted from sandalwood, except under a license granted by such authority and subject to such restrictions and conditions as Government may from time to time prescribe in this behalf."

With the above alteration we recommend that the Bill be passed and that it need not be published in the Gazette.
